

Certificate of Immunization (Blue Form)

According to the State of Alabama, a **Blue Form** can only be given to a child:

1. Whose immunizations are current according to the ACIP schedule
2. Or who is not current but is following the ACIP catch-up schedule

There are no exceptions.

The ACIP is the Advisory Committee on Immunization Practices. The State of Alabama has adopted the ACIP recommendations as the requirement for children to attend state-licensed childcare facilities and schools. For further information regarding these immunization requirements, please refer to
