

Alabama Pediatrics

Helpful information for our ADD Patients

- Patients must be seen in our office 28 days after starting their FIRST ADD medication.
- Patients with ADD medications will be seen at a yearly check up AND a 6-month med check appointment. Twice per year visits are required for ADD medication treatment.
- Call our office (205-879-7888) to request a refill of your ADD medications. Please consider weekends and holidays when anticipating refill needs.
- Please have pharmacy name and phone number, medicine name, and medicine dosage when calling in a refill.
- You should plan to request a medicine refill EACH month.
- It may take up to 24 hours to process ADD medicine refill requests. Please plan patient refill needs with this in mind.
